

# FARES ALGHERBAWI

DEVELOPER & DESIGNER

## EDUCATION

### COMPUTER SYSTEMS ENGINEERING

Al Azhar university  
2018-2023

## EXPERIENCE

### Front End Developer

2018 - 2023 Foundation & Freelancer

I trained in the field of front-end development in an organization and then worked for a period of time as an official job in addition to working on freelance platforms

### Front-end designer and developer

2020 - 2023 Freelancer

After I learned skills in the field of programming engineering and programming languages, I did many works in the field of data analysis for systems and the creation of web programs using web programming languages such as HTML, CSS, javascript bootstrap and tailwind and continues to work on developing my skills in the field of front-end development
